

Workplace Safety Screenings Celebrates a Decade of Trust and Reliability

WSS Marks A Major Milestone

Houston, TX – April 2023 Workplace Safety Screenings, a Consortium/Third-Party Administrator (CTPA), and leading provider of health and screening management is proud to announce its ten-year anniversary. Since its inception, [Workplace Safety Screenings](#) (WSS) has achieved significant growth and success, earning a reputation for quality, trust, and reliability.

Over the past decade, WSS has expanded from a small mobile start-up to a national platform. The company started a Houston clinic in 2013 and has since built a talented team of professionals and partners, including renown expert doctors.

“As the Medical Director for Workplace Safety Screenings, I can say without hesitation that partnering with the medical clinic and Tona Trondsen has been a positive and fulfilling experience,” said Dr. Edward A. Zompa. *“They have the highest commitment to clinical excellence, patient satisfaction, and professional collaboration. I look forward to continuing our partnership in the years to come.”*

The company’s comprehensive range of services encompasses 24/7 nationwide drug and alcohol testing, [background screenings](#), and [occupational health services](#). WSS serves a diverse range of industries, encompassing manufacturing, construction, oil and gas, transportation, finance, and maritime.

“We’re proud of our achievements over the past decade, and I am filled with gratitude for the trust and support of our clients. Their loyalty has been instrumental in our success, and we are honored to have been a part of their journey. We remain humbly committed to serving our partners for many years ahead.” said CEO and founder, Tona Trondsen.

What makes WSS most distinctive is that the company offers streamlined communication and a consolidated billing process. With just one phone number and one invoice, clients receive a boutique hands-on, hassle-free experience that is unmatched in the industry. WSS also offers a proprietary portal dedicated to serving all clients.

WSS commemorates this significant milestone by launching a series of giveaways and an upcoming special event as a token of appreciation to its clients and partners. To participate in the social media campaign, audience members can follow WSS on [LinkedIn](#) and [Twitter](#).

The company is a sister company to [Port Health](#). Port Health is a full-service medical provider dedicated to providing 24/7 quality health care while on board and in port for international seafarers.

Workplace Safety Screenings was named one of the fastest-growing businesses in *Houston Business Journal* in 2021 and 2022.
